

Overview

The **Creative** Clothing Company Limited was established in August 2016.

A partnership between
Balu Shamdas and Benjamin Yiu

Balu Shamdas and Benjamin bring a wealth of expertise to this new venture having more than 90 years combined experience in the garment industry and having each managed successful businesses.

Hong Kong Office

- The Hong Kong office is the company headquarters.
- Consists of 30 people managing China production supported by 10 QC's located at our China factories.

India Office

- Consists of 4 people managing India production including 2 QC's located at our India factories.
- The India supply route mitigates rising costs in China and facilitates the supply of garments no longer competitive from China, mainly jersey wear.

Bangladesh Office

- Consists of 35 people managing Bangladesh production.

UK Office

- The London Office is the design and support center, managed by Balu Shamdas who has over 40 years experience in the UK Clothing market.
- Our in house design team take regular inspiration from the USA and Europe to maintain a working knowledge of current and emerging trends.
- They are supported by a pool of independent freelance graphic and garment designers.
